HOW TO START HOME-BASED HAIR SALON BUSINESS

Are you planning to start a hair salon business from home? Well If so then you're in the right spot.

A hair salon from home is much like any other small business that requires long hours, hard effort, insight, study, and proper guidance.

12 Steps to Start a Home-Based Hair Salon Business

1. Set Your Goals

Let's start by first understanding the reason for which you are undertaking this journey.

There will be a lot of decisions and planning that you will need to do in the forthcoming steps. Writing down your goals will help you stay on track.

Think and reflect on why you want to start a hair salon business from home.

Are you doing it for an added income? Is your passion drive you? Do you have extra time which you want to utilize?

The answer lies within you, you just have to realize it.

2. Understand the Hair Salon Industry

Now that you know why you are wanting to start your home salon, it is time to understand this industry well.

You ought to know the inside outs of the home hair salon industry before you start. These are some of the ground rules before diving into any business.

Read and learn, ask and listen. This is what you are going to need to do to understand what it takes to make a home salon successful.

Conduct **market research** to get to know your target audience, their age, and their gender.

Know your customer, their taste, style, and everything else you can.

3. Research if It Is Profitable To Start A Home Hair Salon Business

When starting your home hair salon it is important to know if it is going to work.

This is important because, before jumping in and investing your hard work and time, you would want to know if it is going to be profitable in the first place.

You will need to ask people who have been in the home hair salon business for a long time about it. Also, ask them about the majority of their customers and their type.

This will give you an idea of the type of hair salon you will need to open.

Also learn about the most active seasons, trends, and more so that you can tailor your business accordingly.

4. Write a Business Plan

Now you know enough to write down a home hair salon business plan. This is going to be the most important step in your journey. So take your time and analyze well.

You must go into every detail and foresee the future. If it seems overwhelming you may ask a friend who has prior experience **writing business plans**.

The alternative is to write down everything you can think of and follow along with this article and fill in the blanks as we go along.

5. Find a Niche

In general hair salons are beauty establishments that provide a variety of services. A salon can provide a wide range of services to its customers.

Haircare, hair cuts, hair treatments, and hair cosmetics are the four major areas. You must select one or more categories that correspond to your experience and current trends.

It is advisable not to choose more than one from the above list, this is because you will be working alone(most probable) and will not be able to specialize in many.

Choose one, specialize in it, and make it your own, so that someone wanting the service will choose you above others.

6. Select Services

The final step is to create a menu for your home hair salon. You must give the most basic services because that is what the majority of clients would need.

A smart menu card with your home salon's logo acts as branding and helps to increase item sales.

Remember that if each service is described, clients will be more likely to avail of the service.

While deciding on the menu card, remember to keep in mind the niche that you have selected and do not go away from it.

Also, it is very important to keep your services at par with market rates and not make them too expensive.

7. Choose a Suitable Location

Next, it is time to choose the location of your house in which the home hair salon should be set up. Try to choose a place that is easily accessible from the front door. Make sure to keep the room airy and clean.

Remove any undesirable furniture and keep the environment friendly and comfortable, also make sure that the room has windows to let natural light in. The room should not be too small or too large. A too-small room will make you seem unprofessional, while a room too large will be difficult for you to manage.

8. Decide on the Business Hours

You will need to decide on the timings or your working hours. This is a common mistake people starting a home hair salon business do.

A time must be fixed at which you are sure that you will be free. To do this you will need to look at your daily schedule and find out when is that time.

You might have a different job, have home chores to do, have a family to take care of, and have children to manage.

But when it comes to your home hair salon, during its business hours, you cannot give time to any of that. Hence, analyze your day and come up with your business hours.

9. Register Your Hair Salon Business

One of the most critical steps, when you are going to start a hair salon business from home, is to register it.

It's ideal if you form it as a limited liability corporation (LLC).

Although there are other alternatives for the formation of a business entity type, a Limited Liability Corporation is by far the most practical option for most new firms.

The great feature of **establishing an LLC** is that it protects you from financial liability in the event of a business issue.

Your personal belongings will be secure.

We strongly suggest you seek legal guidance if you're unsure if the company structure is acceptable for your home hair salon.

10. Arrange the Equipment Needed

The next step is to acquire the equipment which you will need. Remember, the extent of your services will be determined by your equipment.

The essentials of a home beauty salon are a few items that you either already have or can purchase for nearly nothing if you buy them secondhand.

These are the main items you'll need to start a hair salon business from home:

- Sinks - Salon Chair -Dryers -Capes For The Hair -Blankets -Brush -Combs -Gloves -Shaving Products -Scissor -Prim Rods

You may additionally require the following services-related equipment in addition to the above-mentioned equipment:

- Straightening iron -Curling iron -Steamer

11. Cost of Starting a Hair Salon From Home

When you are starting from home, the biggest advantage is that you will be saving a lot of money that would otherwise go for rent.

If you aren't skilled at hairdressing you can easily learn it from many free online learning platforms. However, if you are a skilled hairdresser but do not have the equipment, you can start by purchasing the basics.

The major investment cost will be the price of buying salon chairs. A new salon chair on average starts from $200. You can further decrease the cost simply by renting a salon chair or buying it second-hand.

Most of the other items, you should already have or buy for very little money. So, the total amount will mostly depend on the number of chairs you wish to install.

Therefore, for a seating accommodation of 1 person, the estimated total cost to start a home-based hair salon business will be in the range of $500 to $1000.

12. Come Up With A Home Hair Salon Name & Logo

You surely have a reasonable amount of knowledge about how to start a hair salon business from home by now.

The next step is to give it a name!

When naming your company, there are several things to think about.

You'll also need to create a logo for your home hair salon at this point. You may either hire a professional or do it yourself.

Simply ensure that the logo complements your home salon's name and niche.

$50 SUPER FAST DOUBLE CA$H

Start The Most POWERFUL Pay Plan On Earth WORKING FOR YOU!

Earn $50 & 50 Stamps That Double To Infinity!
RECEIVE $10,000 IN CA$H AND 10,000 IN STAMPS PER WEEK!

THE POWER OF COMPOUNDING

How Would You Like To Turn $50 & 50 Stamps Into $200 & 200 stamps, Then Into $400 & 400 stamps, Then Into $800 & 800 stamps, Then Into $1,600 & 1,600 stamps, Then Into $3,200 & 3,200 stamps, Then Into $6,400 & 6,400 stamps. — This GOES TO INFINITY...ON AND ON! FROM EVERY SINGLE SALE AFTER YOUR FIRST 2 SALES — **THIS IS EASY AND AFFORDABLE! AND MORE FUN NOT WORK!**

Here's How The Most Powerful Plan Works:

The first 2 people you enroll goes to Your Sponsor (don't worry you are about to start your Own endless $50 Cash & 50 Stamps that will double and keep on Doubling to Infinity). Starting with your third person you earn $50 Cash & 50 Stamps! Here's where Your money double...The third Person you enroll must give their first 2 Enrollees = $100 Cash & 100 stamps and those must give you their first 2 x 2 = 4 x $50 Cash & 50 Stamps = $200 Cash and 200 Stamps paid to You. This doubling continues… 4 do the same to get 8 x $50 Cash = $400 Cash & 400 Stamps. Then 8 bring 16 = 16 x $50 Cash & 50 Stamps = $800 Cash & 800 Stamps, then 16 bring 32 = 32 x $50 Cash & 50 Stamps = $1,600 Cash & 1,600 Stamps, then 32 bring 64 = 64 x $50 Cash & 50 Stamps = $3,200 Cash & 3,200 Stamps.

THEN 64 bring 128 x $50 Cash & 50 Stamps = $6,400 Cash & 6,400 Stamps, this goes on to Infinity. This doubling Starts with your third person. **Get 4, 5 or 6 and you are doubling into thousands in cash per week.**

To Get Started Fast Do This:

1. Fill Out The Form Below.
Send $50 Cash Only (no Check or Money Order) & 50 Forever Stamps for placement in this system to track all the **$50 Cash & 50 Forever Stamps** that will be sent in your name (required) to the address below. WHY IS GOLD SO VALUABLE?

- A History of Holding Its Value
- Inflation
- Weakness of the U.S. Dollar
- Deflation

Gold retains its value not only in times of financial uncertainty, but in times of geopolitical uncertainty. It is often called the "crisis commodity," because people flee to its relative safety when world tensions rise; during such times, it often outperforms other investments. For example, gold prices experienced some major price movements this year in response to the crisis occurring in the European Union. Its price often rises the most when confidence in governments is low. Our 1-gram gold bars represent a great way to not only own gold, but to own it in a small and easy to trade size. Owning "fractional sized" metal means increasing to the number of buyers who will be available when it is time to sell your metal. Add gold to your investment portfolio **TODAY!**

Once you become a dealer you'll find out in a hurry that the Gold Vault Dealership is probably one of the greatest gold mines to come along in years!
