Infinity Survival

Dear pastors and deacons,

Hi. My name is Lance Callahan and I am the owner of Infinity Survival. We sell 25 year shelf-life survival food, water storage/filtration, indoor cooking stoves, and much more.

The reason for this letter is that nine out of 10 American families are not prepared for even three days in the event that something happens. Chances are 9 out of 10 families in your congregation are also not prepared for the disruption of food distribution and supplies. It is possible for the church to provide for its congregation. Broken down for each family or kept at the Church to feed the needy in the event food becomes scarce. How many times did Jesus feed the hungry masses? The 4000 and 5000....because Jesus was worried about them. Why not do the same for your followers? Or at least give them a chance to decide for themselves and their own families.

I am a saved believer. I do not know when the end will come and Christ returns... but I do know there will be a very rough period leading up to it. God even says he will shorten its days because it will be so bad even the most devoted may fail. Let us prepare ourselves and families for what is to come.

As my tithe I will gladly give the church 10% off and 10% of any sales from your congregation back to your church. May god bless your church and those who continue to spread the light. Keep the faith strong like Job.

Thank You,
Lance Callahan

THE GRAND LESSON

From the beginning, God gave us a choice. Choose His way, against the advice of our carnal human minds, or choose the way that comes most naturally but ends in pain, suffering and death (Proverbs 14:12, 16:25). People this is it, there are ultimately two ways of life, One way produces good results. The other brings heartache, suffering and death. People were given this choice at the very beginning as recounted in the book of Genesis. God placed two trees in the garden. One was the Tree of Life, but God told people that it was forbidden to eat the fruit of the other - The tree of the Knowledge of Good and Evil.

The first tree symbolizes the choice to trust in God and His law. The second tree symbolizes the choice to reject God and take upon oneself the determination of good and evil. As any student of the Bible knows, people chose to trust himself and life has gone badly ever since, with people-kind collectively choosing to follow the same path. It is more blessed to give another way to describe these divergent paths is with two little words-given and get. Choosing God's way, the right tree, is to choose a life of outgoing concern for others. It is the way of helping, caring and sharing - in short, the way of love. We see the alternate path taken by people today who murdered brother and sister. The account in Genesis 4 is much abbreviated and we must look elsewhere to grasp the entire picture. "For this is the message that you heard from the beginning that we should love one another, now but right now we have wicked ones and murder, evil is in hand. You need to order your book today.

"YOUR BLUEPRINT FOR MAILSHOT MILLIONS"

(Written by famous British mail order tycoon Mike Farrell)

A blueprint, of course, is a written set of instructions which tells you how to do something. Without a blueprint, or plan, nothing would get built - that's why people like architects and designers make so much money.

So, it's strange that most people don't use a blueprint when they try to make money. Oh sure, they'll have a plan of some kind, but it will be a sketchy sort of plan to say the least.

Take mail order for example. When a new entrepreneur turns his or her attention to mail order, their "plan" is usually something like this: put a few ads in the paper, buy a few mailing lists, send out some circulars, rake in the cash. It's like trying to build a house by throwing bricks, wood and cement into a heap!

A proper blueprint is DETAILED. It gives full and explicit instructions for every stage of a project. It specifies materials, tells you what they will cost and gives an accurate estimate of the time it will take to complete the project. With a blueprint, any job is three-quarters done.

So How About A Blueprint Which Tells You How To Get Rich?

O.K. it's an outrageous idea, not worthy of serious contemplation, but we've come across a man who has developed a blueprint which has the potential to do just that.

Mike Farrell has been in the direct mail game for longer than he cares to remember. He's seen it and tried it all. He's made a lot of money from direct mail. When Mike tells you how to organize your mailshots, it pays to listen!

It wasn't always like that. Mikes first plan for mail order success was rather like the one described above. His early mailshots were a disaster. He once sent out 2,000 letters without getting a single sale!

Nobody could accuse Mike of not being a trier. He knew in his heart of hearts that direct mail, properly practiced, would be his route to business success. He took time out to study the subject, read books on it and talked to successful mail order operators. He spent a year or more of his leisure time researching direct marketing. At the end of this period he had made a discovery which eventually repaid the time spent a thousandfold. He'd learnt that successful direct marketing could be reduced to a formula. An easy-to-understand blueprint which virtually guarantees success.

Mike's blueprint is no "pie in the sky". His first use of the formula enabled him to treat himself to a new car. Soon he was making enough to throw up his job and go into the mail order business full time. Now Mike can predict, almost to a dollar, how much he will make from a particular mailing.

Mike has now given permission for his blueprint to be marketed in the form of a business manual, so the remarkable plan could be yours to use just a few days from now. And, incredibly, we are also able to offer you the full reproduction rights on YOUR BLUEPRINT FOR MAILSHOT MILLIONS. Here's the amazing package which could be yours, both to use and to sell:

- ✓ *YOUR BLUEPRINT FOR MAILSHOT MILLIONS. It comes to you in the form of a full length manual. It will provide you with a SCIENTIFIC, yet easy to follow, method of making substantial profits from direct mail.*
- ✓ *THE REPRODUCTION RIGHTS, which will enable you to sell the Blueprint to your own customers. It's a product with fantastic selling potential - mail order traders will be clamouring for their copy! You will make a BIG profit on every sale.*
- ✓ *A COPY OF THIS POWERFUL SALES CIRCULAR, which will enable you to start selling the manual right away.*

If you're in the business by post - whether it's books, continental holidays, garden tools or your favorite MLM plan - you need this blueprint. It has the power to send your sales rocketing. Let it work for you.

PHASE 10
A CHART OF POTENTIAL EARNINGS

You can have an unlimited number of people following you in each phase/income stream! Obviously, the more people you sponsor, the more your potential earnings become. The chart below shows your earnings based on a certain number of people following you through each of the phases:

Five Followers	Ten Followers	Twenty Followers	Fifty Followers
Phase 1 = $10	Phase 1 = $20	Phase 1 = $40	Phase 1 = $100
Phase 2 = $25	Phase 2 = $50	Phase 2 = $100	Phase 2 = $250
Phase 3 = $42	Phase 3 = $84	Phase 3 = $168	Phase 3 = $420
Phase 4 = $105	Phase 4 = $210	Phase 4 = $420	Phase 4 = $1,050
Phase 5 = $210	Phase 5 = $420	Phase 5 = $840	Phase 5 = $2,100
Phase 6 = $460	Phase 6 = $920	Phase 6 = $1,840	Phase 6 = $4,600
Phase 7 = $1,020	Phase 7 = $2,040	Phase 7 = $4,040	Phase 7 = $10,200
Phase 8 = $2,300	Phase 8 = $4,600	Phase 8 = $9,200	Phase 8 = $23,000
Phase 9 = $4,600	Phase 9 = $9,200	Phase 9 = $18,400	Phase 9 = $46,000
Phase10= $9,200	Phase10= $18,400	Phase10= $36,800	Phase10= $92,000
TOTAL = $17,972	TOTAL = $35,944	TOTAL = $71,888	TOTAL = $179,720

The above is only an illustration and not a guarantee of income. This and any program's earnings are based on many factors including the efforts of you and others.

THE ART OF BUILDING A $10,000 PER MONTH PHASE 10 INCOME

Phase 10 was uniquely created so you can earn a nice side income with the company being able to make enough money to exist. That is the purpose of including stamps with your enrollments as I have the expense of mailing to Phase 10 members. The paying out of 80% - 90% - 100% is huge with the ability to afford to send buyer leads as the product.

The art of building a phase 10 income has to do with laying your foundation of potential followers and then consistently doing that over time, creating multiple income streams along the way. This P word formula says it all: **P**rofits = **P**atience **P**lus **P**ersistence **P**lus **P**rayer

You simply start out by inviting others to earning money via Phase 10 and then you let the system take over for you from there. It's basically a "follow the leader" type program.

Use special Phase 10 flyers and/or postcards and hand or mail them out to others. The more you distribute, the more who will join with you as their sponsor and the more money you will make as the Phase 10 system kicks in for you. Remember, ten phases also means ten income streams!!

This is the same principle major catalog companies use to build their businesses. They start out advertising, creating their customer base, and then they mail catalogs to their customers creating what is called "back-end" sales and profits. This happens over and over again and in so doing, they continue to build their customer list so the profits continue over and over.

You are doing the same thing with Phase 10. Phase 1 is a customer acquisition phase. Phases 2 and 3 are confidence-building phases. Reach Phase 6 to use a special high-income producing flyer. Each phase is an additional income stream. What will happen is, as you progress to higher phases, they help fund your customer acquisition phase which helps create additional income thus you being a never-ending cycle! Your job is three-fold! **(1)** Stay ahead of your followers; **(2)** consistently and persistently work at your Phase 1 customer acquisition phase. **(3)** Let the Phase 10 system do the rest for you
